

Coming to Church

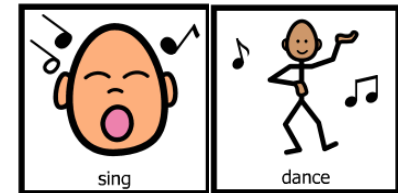

I like to come to church. Church is where I can learn about Jesus, read the Bible and praise God!

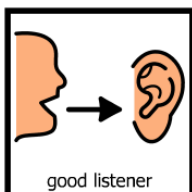

When I first get to my classroom, I can play at any of the stations set up around the room. I can play with the teachers and with other friends in my classroom. I can draw pictures, read books, play with toys or play games.

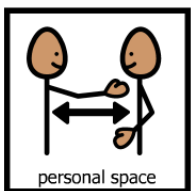

I follow the schedule and listen to the teachers so that I know what to do. When it is time to sing, I can clap my hands and sing to the music! God loves to hear me worship and sing!

When it is time to do an activity, I sit at the table to do it. I listen to the instructions. If I need help, I can ask a teacher.

When it is time for the Bible Story, I am a good listener. Sometimes the teacher reads the Bible Story. Sometimes I watch a video of the Bible Story. I like hearing the Bible Story because the Bible is a love story written by God showing me how much He loves me. After the story, I praise God with more singing and dancing to the music!

When I am at church, I keep my body to myself. I remember to keep personal space. I can give a high five, fist bump or smile at someone I like. If I need a break, I tell a teacher. I am proud to do the right thing.
